(Example of documentation of practical skills)

Documentation of practical skills for person performing procedures on animals in research

I hereby confirm that <name of candidate>, has completed training in <animal species> and master the following procedures:

- <procedure 1>
- < procedure 2>
- < procedure 3>
- ... < procedure n>

I have evaluated <name of candidate> practical skills to be so well that <name of candidate> can perform these procedures without supervision, and without causing unnecessary stress to the animal or in other ways cause any negative effect on the experiment or bias of results.
