

Welcome to the Renewable Energy Research Conference (RERC) 2014

Call for abstracts! Submission due: March 28th 2014
Conference: June 16-18th 2014, Oslo

The Center for Renewable Energy (SFFE) is proud to announce that the 3rd Renewable Energy Research Conference will be held in Oslo, Norway, June 16-18th at the University of Oslo. The goal of RERC is to bring together renewable energy research within technology, social science and economics.

Sessions

1. Renewable Energy Production
2. Renewable Energy Storage
3. From ZEB to Smart Cities
4. Energy Distribution (Smart Grid)
5. Innovation and Public Engagement
6. A green European Electricity Market
7. Transition Strategies, Policy and Scenarios
8. Sustainable Transport

Conference speakers

- Prof. Joan Ogden, University of California
- Dr. Ben Kroposki, National Renewable Energy Laboratory
- Dr. Reinhard Schutz, Austrian Institute of Technology
- Prof. Richard Green, London Imperial College
- Prof. Miranda Schreurs, Freie Universitat Berlin
- Dr. Andreas Hauer, ZAE Bayern
- Fridtjof Unander, Executive Director at Research Council Norway
- John Andersen, Adm. Dir. Scatec
- Dr. Jae Edmonds, Chief Scientist, Pacific Northwest National Laboratory
- Dr. Patrick Graichen, Executive Director, Agora Energiewende
- Prof. Kai Strunz, TU Berlin
