

# Make This Your Best Year Ever

New Year – new possibilities!

1. Last NRC webinar today (Norwegian)  
Last chance for attending the webinar hosted by The Norwegian Research Council (NRC) to inform you about the changes in NRC: **new applications and calls for 2019** (in Norwegian).  
Date: Friday **11 January**, 10 – 11am. See [link](#) for more info.
2. CAS (Centre for Advanced Study)
  - a) Apply to become a **Young CAS Fellow** (this applies to *young researchers* at IFT). See [link](#) for more info.
  - b) Apply to **establish and lead a research group at CAS** (this applies to established researchers). CAS is now accepting applications for the 2021/22 academic year, with application deadline **14<sup>th</sup> of January 2019**. See [link](#) for more info
3. Seminar BTO Publishing and Patenting  
 Date: **January 28**, 12:30 – 6 pm.  
Here you will learn about innovation and hear about the experience from university spin-off companies.  
See next page or [link](#) for full program and registration.
4. BFS call for Starting Grants  
BFS (Bergen Research Foundation) calls for applications for Starting Grants (Step 1) with **application deadline 15<sup>th</sup> of March 2019**. See [link](#) for more info.

Wishing you a **HAPPY NEW YEAR,**

Cecilie Evjen
