Informasjonsseminar om Marie Curie

FA organiserer et **informasjonsseminar om Marie Curie**
Senior forskere, post docs, PhD kandidater og administratorer er velkommen:

Onsdag 19. mai kommer Per Magnus Kommandantvold, NFR, **nasjonal ekspert på Marie Curie** og forteller om individuelle stipend og initial training netverk. UiB forskere forteller om egne erfaringer.

Møtet er fra kl 10-12:30 på Vilvite, konferanserom A+B.

Påmelding : send en epost med tittel "Marie Curie" til Anja.Hegen@fa.uib.no

Meld deg på nå, ikke gå glipp av en stor sjangse.

EU kommissionen har publisert 3 nye utlysinger for Marie Curie individuelle stipend. Stipendene kan brukes til å sende erfarne forskere (minstekrav er doktorgrad) ut av Norge til Europa eller hele verden.

Stipendene kan også brukes til å rekruttere gode forskere fra hele verden til UiB.

Programmet er åpent for alle fag.

Frist for alle er 17. august 2010 (!7:00 Brussel tid) og samlet budsjett er 161 millioner EUR

Vennligst ta kontakt med EU rådgiverne hvis du er interessert eller skal rekruttere en forsker til UiB - vi hjelper med søknaden.

UiBs department of Research Management invites you to this year's **information seminar about EU's Marie Curie stipends**- see attached flyer.

PIs, post docs, PhD candidates and administrators should attend.

Wednesday May 19th Per Magnus Kommandantvold from the Research Council of Norway, the **national Marie Curie expert** will visit us to inform you about individual fellowships and initial training networks.

UiB researchers will also present their **success stories**.

The meeting will take place from **10:00-12:30 at Vilvite, seminar room A+B** (with a similar arrangement at Auditorium 2 BBB near Haukeland from 13.00 to 16:00 the same day)

Do not miss this unique opportunity and send an email with the word "Marie Curie" in the title to Anja.Hegen@fa.uib.no **to register**

The EU commission has published three new calls for proposals for Marie Curie individual stipends. These stipends can be used to send researchers to Europe or any other country in the world or to recruit talented researchers from everywhere to UiB. The minimum requirement is a PhD degree. The program is open for all scientific disciplines and has a cumulative budget of 161 million EUR

The deadline is August 17th 2010 17:00 Brussels time

Please contact the UiB department of research management for further details or if you are planning to apply/to recruit a researcher. We can help you with the application procedure.

ERCIM calls for nominations for the 2010 Cor Baayen Award

Deadline for nominations: 30 April 2010.

Each year, ERCIM awards a promising young researcher in computer science and applied mathematics with the Cor Baayen Award. The winner of the award receives 5,000 euro, together with an award certificate. The award will be presented at a ceremony during the 2010 ERCIM fall meetings.

Nominees must have carried out their work in one of the 'ERCIM countries' (i.e., Austria, Belgium, Czech Republic, Denmark, Finland, France, Germany, Greece, Hungary, Ireland, Italy, Luxembourg, Norway, Poland, Portugal, Spain, Sweden, Switzerland, The Netherlands and the United Kingdom). Nominees must have been awarded their PhD (or equivalent) after 30 April 2007.

Nominations may be submitted online only.
