HSE annual visit

As announced on e-mail, we are doing the annual HSE-visit this week (Heath Safety Environment). Some of you were out of office on our walk in the corridors. If you want a separate visit or have additional comments, please send a mail to Ida.

Important:

We need some help from all to update the computer register. We kindly ask all of you to send an e-mail to Tor Bastiansen torb@ii.uib.no with the following information: Office number + number on the white label on your computer (i.e.: I122149)

Christmas party

It might feel a little bit early for planning a christmas party, but this year we plan for something quite new. The students want to join us, and together with them we have decided to arrange the party on Friday 11 November. Further information about place and registration will be sent out later – but we encourage all to note the day now.

University guest house - calendar

You may now check on the web what is available for rent at the university guest house. Booking can also be done electronically. The calendar is available here: <https://skjema.app.uib.no/gjestebolig?f?p=287:5:571571577123312>

University cabins – winter

It is now possible to send in online application for summer holidays in U-heimen, Otteshheimen, Butten and Tingviken (2 January – 1 April 2012). Application forms and information about the cabins are on the intranet under the link "Application for UiB welfare cabins. It is only possible to apply for the whole week, from Sunday to Sunday.
