ERC Advanced Grant - information

ERC Advanced Grants - national information and proposal writing event in Bergen
8.11.2011

ERC Advanced grants offer established researchers the possibility to do potentially ground-breaking, yet risky projects for 5 years. The ERC stipend offers up to 2,5 million € for the principal investigator and his/her team (activities are financed 100%) Find out how to write a competitive proposal at the national information event at Vilvite Auditorium on Tuesday, 8th November from 9:00-15:00 in collaboration with the Research Council of Norway and Yellow Research.

Hear about the experiences of one of UiB's grant winners (Professor Kenneth Hugdahl, Faculty of psychology) and meet one of Norway's national experts for ERC, Mr. Per Magnus Kommandantvold, NFR
