Summer holiday

UoB researcher funding and seed funding

New employee

Tero Hasu.
Research fellow (PhD-student) in the
Program Development group

Summer trip

The department invites all employees to a summer trip on Wednesday 15 June. We will be picked up by a boat at Marineholmen at 3 pm. The boat will drop us off in the city center at 6 pm. On the boat there will be food (also vegetarian) and beverages.

Please sign up (binding) no later than Tuesday 7 June in the reception or on e-mail ekspedisjonen@ii.uib.no

Summer holiday

Please sign up in the reception (on the poster) when you plan to go for summer holiday.

UoB researcher funding and seed funding

You can apply for financial support regarding your contact travels, meetings or other activities which promote the building of stable international connections and which will take place during the fall semester of 2011 or spring 2012:

<http://org.uib.no/iinytt/links-mai11/Gjesteforskermidler.pdf>

You can apply for financial support for inviting international guest researchers currently at least at the Postdoc level for a guest stay at UoB for a period of minimum 1 to maximum 3 months. The stay must take place during the fall semester 2011 or spring 2012. You may apply for funding up to 15.000 NOK per month to cover the expenses related to the visit (such as the cost of travel and accommodation):
