

VOTE! -RECTOR ELECTION 2009

Dear students and PhDs!

The Rector of UiB is up for election and this year we want *everyone* to use their suffrage! It is essential that we use our vote to show our leaders that we care and to develop UiB into the future!

Rolf K Reed

"A dynamic and forward-looking university".

- Academic development through innovation, collaboration and scholarly leadership
- Attractive, flexible and relevant study programs
- Improving recruitment and providing better research career prospects
- An international research-based university that engages in social dialogue and commits to regional and national collaboration
- Strengthening of UiB's funding support and strategic maneuverability
- Organization and leadership, with openness, democracy, personal responsibility and high ethical standard
- Organized transparency

Election manifesto for the office of Rector at the University of Bergen 2009. Rolf K. Reed, Ernst Nordtveit and Lise Øvreås

Sigmund Grønmo

"A research university with a high international profile - renewal based on the university's distinctive character".

- Research in all academic units
- Postgraduate education integrated with research activity
- Consolidation of research-based education –improving the quality of education
- Measured and facilities offered for students
- A research university with high international profile
- The university as a part of the society –outreach, visibility and building relations
- The university community –creative interaction between different groups of staff and students
- Development and renovation of the university buildings
- University governance –rooted in the academic units and among staff and students

Election manifesto for the office of Rector at the University of Bergen 2009. Sigmund Grønmo, Berit Rokne, Kuvvet Atakan og Astri Andresen.
