

Curriculum Vitae

Shankar Aswani
(A.k.a. Shankar Aswani Canela)

Associate Professor
Department of Anthropology
University of California at Santa Barbara
Santa Barbara, CA 93106-3210
Tel: (805) 893-5285
Fax: (805) 893-8707
E-mail: aswani@anth.ucsb.edu

Associate Professor
Interdepartmental Graduate Program in Marine Science
University of California, Santa Barbara

Citizenship: U.S. and European Union (Spain)

Education

1997 University of Hawaii Ph.D., Anthropology
1992 University of Hawaii M.A., Anthropology
1988 University of Miami B.A., Marine Affairs/Anthropology

Professional Experience

Associate Professor, University of California, Santa Barbara, July 2004 to present

Honorary Senior Research Fellow, University of Auckland, May 2000 to 2007

Assistant Professor, University of California, Santa Barbara, July 2000 to June 2004

Postdoctoral Research Fellow at the University of Auckland, March 1998 to March 2000

Field Manager for research on the socio-cultural aspects of the Hawaiian troll and handline fishery, University of Washington, September 1997 to February 1999

Research Associate for the International Center for Living Aquatic Resources Management (ICLARM), December 1994 to December 1995 (nominal position)

Military Administrative Asst., Field Corporal, Spanish Army Infantry Division, Jaen 25, Barcelona, Spain July 1989 to August 1990.

Development, Conservation, and Education Projects Directed

Western Solomons Conservation Program (2007 to present). This expansion plan establishes permanent community-based MPAs across sites in Marovo, Nono, Rendova, and Vella Lavella, Western Solomon Islands.

Pacific Islands Field Training Program Roviana, Solomon Islands. Field school to train U.S. students of Pacific Island descent about anthropology and marine science (2003 to present).

Establishing Marine Protected Areas and Spatio-temporal Refugia in the Roviana and Vonavona Lagoons, Solomon Islands Project (2002 to present). Establishing a network of marine protected areas (MPAs) and development projects across southwester New Georgia, Solomon Islands.

The Roviana and Vonavona Lagoons Marine Resource Management Project (1999 to 2007). This project establishes permanent community-based MPAs and spatio-temporal refugia (seasonal “no-take” zones) under customary sea tenure in the Roviana and Vonavona Lagoons, Western Province, Solomon Islands.

Baraulu Women’s Sewing and Shell Management Project (1999-2003). Establishment of a small-scale development program designed to assist local women with financial independence.

Fieldwork Experience

Solomon Islands (Roviana, Vonavona, Marovo Lagoons): August 2008 to September 2008

Solomon Islands (Roviana, Vonavona, Marovo Lagoons): February 2008 to March 2008

Solomon Islands (Roviana, Vonavona, Marovo Lagoons): August 2007 to September 2007

Solomon Islands (Roviana, Vonavona, Marovo Lagoons): February 2007 to March 2007

Solomon Islands (Roviana, Vonavona, Marovo, and Vella LaVella): June 2006 to August 2006

Solomon Islands (Roviana and Vonavona Lagoons): January 2006 to February 2006

Solomon Islands (Roviana and Vonavona Lagoons): June 2005 to August 2005

Solomon Islands (Roviana and Vonavona Lagoons): June 2004 to August 2004

Solomon Islands (Roviana and Vonavona Lagoons): July 2003 to September 2003

Marquesas Islands (Nuku Hiva Island) (French Polynesia): June 2003 to July 2003

Solomon Islands (Roviana and Vonavona Lagoons): April 2003

Solomon Islands (Roviana and Vonavona Lagoons): May 2002 to August 2002

Solomon Islands (Roviana and Vonavona Lagoons): April 2001 to August 2001

Solomon Islands (Roviana and Vonavona Lagoons): June 2000 to August 2000

Solomon Islands (New Georgia, Rendova, Duke, and Simbo): June 1999 to Sept 1999

Solomon Islands (Roviana and Vonavona Lagoons): June 1998 to August 1998

Hawaii Fieldwork (Big Island, Maui, and Oahu): September 1997 to March 1998

Solomon Islands Fieldwork (Roviana and Vonavona Lagoons): March 1994 to December 1995

Solomon Islands Pilot Survey (Isabel and New Georgia): June 1992 to August 1992

Languages

Spoken: Fluent in English, Spanish, Italian, Catalan, Roviana, and Solomon Is. Pidgin English.

Written: English and Spanish. Moderate capacity with Italian and Roviana.

Professional Honors

2005 Pew Fellows Program in Marine Conservation, Fellow
2005 Edward T. Foote II Alumnus of Distinction Award, University of Miami
2003 NSF-CAREER Faculty Early Career Development Award

Professional Grants (large)

2008 NSF Human and Social Dynamics (AOF) for a project entitled “Understanding Socio-ecological Impacts and Responses to Large Scale Environmental Disturbance in the Western Solomon Islands” (BCS-0826947, PI: Aswani, Co-PIs: Matthew Lauer and Ben Halpern) [**\$ 650,000**]

2008 David and Lucile Packard Foundation Grant for a project entitled “Community and Church-based Marine Conservation in New Georgia and Rendova Islands (Western Solomon Islands) (Phase III) [**\$250,000**] (2008-2010)

2006 Global Conservation Fund (Conservation International) award for a project entitled: Strengthening the Self-Governance of the Roviana and Vonavona MPA Network [**\$100,000**] (2006-2008)

2006 Ecosystems Based Management, National Center for Ecological Analysis and Synthesis (NCEAS). “Measuring Ecological, Economic and Social Values of Coastal Habitats to Inform Ecosystem-based Management of Land-Sea Interfaces” (PI with Elise Granek, Eva Kock, David Stoms, and Ed Barbier) [**\$ 112,300**] (2006-2008)

2005 David and Lucile Packard Foundation Grant for a project entitled “Expanding and Consolidating a Network of Marine Protected Areas in the Western Solomon Islands” [**\$ 340,000**] (2005-2007)

2005 Pew Fellows Program in Marine Conservation for a project entitled “Integrating Social and Natural Science for Designing and Implementing a Marine Protected Area Network in the Western Solomon Islands” [**\$ 150,000**] (2005-2007)

2004 Global Conservation Fund (Conservation International) award for a project entitled “Creating and Consolidating a Marine Protected Area Network in the Western Solomon Islands.” [**\$ 400,000**] (2004-2006)

2003 NSF Faculty Early Career Development Award (CAREER, NSF-BCS-0238539) for a project entitled “Human Dimensions to Marine Resource Utilization in the Solomon Islands: Fostering Pacific Island Student Participation in Research and Educational Activities.” [**\$ 411,109**] (2003-2008)

2001 David and Lucile Packard Foundation Grant for a project entitled “Establishing Marine Protected Areas and Spatio-temporal refugia in the Roviana and Vonavona Lagoons, Solomon Islands” [**\$ 297,225**] (2001-2004)

2000 MacArthur Foundation Grant (Population, Consumption, and the Environment Program) (60243) for a project entitled “The Roviana and Vonavona Lagoons Marine Resource Management Project” [**\$ 220,000**] (2000-2003)

Professional Grants (small)

2007 National Geographic Society Conservation Trust for a project entitled "Eco-regional marine conservation in the western Solomon Islands: Expanding and consolidating a Marine Protected Area network" [**\$ 18,000**] (2007-2009)

2005 UCSB Academic Programs Minigrant for a project entitled Ethnographic Video Production as Educational Outreach: Community-Based Marine Protected Areas in the Western Solomon Islands [**\$ 1,000**]

2004 UCSB Faculty of Arts and Sciences Award for a project entitled "Human Dimensions to Marine Resource Utilization in the Solomon Islands: Fostering Pacific Island Student Participation in Research and Educational Activities." [**\$ 30,000**] (2003-2008)

2003 UCSB Academic Senate Grant for a project entitled "Pre-historic Human Impact on the Marine Environment in Anaho Valley, Marquesas Islands, French Polynesia." [**\$4,000**]

2003 National Geographic Society Grant for a project entitled "Human Palaeoecology in the Marquesas Islands, French Polynesia." (Co-PI with Dr. Melinda Allen and Dr. John Flenley). [**\$ 22,000**]

2002 UCSB Academic Senate Grant for a project entitled "Assessing Environmental Success or Failure of Sea Tenure Regimes in the Solomon Islands." [**\$ 5,919**]

2001 Faculty General Research Grant for a project entitled "Marine Conservation in the Solomon Islands: A GIS Application" [**\$ 7,653**]

2001 Junior Faculty Research Incentive for a project entitled "Establishing Marine Protected Areas and Spatio-temporal Refugia in the Roviana and Vonavona Lagoons, Solomon Islands" [**\$ 5,000**]

2001 ISBER, University of California, Santa Barbara Grant for project "Kinship and the Ocean Commons: A Social Network Analysis" [**\$ 7,900**]

2001 University Research Expeditions Program for a project entitled "The Roviana and Vonavona Lagoons Marine Resource Management Project" [**\$ 5,900**]

1999 Dan Church, WWF, and NZ High Commission for Roviana Women's developmental initiatives

1998 Inclusive in Marsden and National Geographic grants to Dr. Peter Sheppard, U. of Auckland

1997 Inclusive in PFRP-NOAA grant extension to Dr. Marc Miller, University of Washington

1996 Sea Grant-NOAA (NA36RG0507) [**\$6,000**]

1995 SIDT (Solomon Islands Development Trust) Local Development Award [**\$1,000**]

1995 ICLARM Research Award [**\$2,000**]

1995 WF fellowship grant for Marine Tenure Research [**\$2,000**]

1994 National Science Foundation Doctoral Dissertation Award # SBR-9320498 [**\$11,500**]

1994 Sea Grant-NOAA, University of Hawaii Research Grant # R/MA-1PD [**\$3,500**]

1994 Pacific-Asian Scholarship, University of Hawaii

1994 Research and Training Funds, Dept. of Anthropology, University of Hawaii

1993 Research and Training Revolving Funds, University of Hawaii

1993 Department of South East Asian Studies Award, University of Hawaii

1992-93 Pacific-Asian Scholarship, University of Hawaii

1990-92 Department of Anthropology Fellowship, University of Hawaii

Conference/Meeting Presentations

Invited Speaker at the Workshop on Inclusive Development in South Asia: A Gender Perspective, Orfalea Center for Global and International studies-UCSB, May 10th, 2008, Santa Barbara, CA. Title History Matters: Women, Genealogy, and Cash Generating Projects.

Invited speaker at the 2008 Workshop: Empires and Science “Integrating Indigenous Ecological Knowledge in the design of Marine Protected Areas in Oceania,” Joukowsky Forum, Watson Institute for International Studies, Brown University, Providence (RI), March 28-30, 2008 (in absentia).

Invited speaker/participant at the Network of Conservation Educators and Practitioners (NCEP), Center for Biodiversity and Conservation, American Museum of Natural History. March 12st-13th, 2008, Honiara, Solomon Islands.

Invited speaker/member at Ecosystems Based Management, National Center for Ecological Analysis and Synthesis (NCEAS). “Measuring Ecological, Economic and Social Values of Coastal Habitats to Inform Ecosystem-based Management of Land-Sea Interfaces” September 17st-22th, 2007, Santa Barbara, CA.

Invited speaker/member at Ecosystems Based Management, National Center for Ecological Analysis and Synthesis (NCEAS). “Measuring Ecological, Economic and Social Values of Coastal Habitats to Inform Ecosystem-based Management of Land-Sea Interfaces” January 21st-25th, 2007, Santa Barbara, CA.

Invited speaker at James Cook University, Townsville, Australia, February 21st, 2006. Title: Integrated Social and Natural Science for Designing Marine Protected Area Network in Melanesia”

Invited moderator at the Western Pacific Fisheries Council meeting, Honolulu, Hawaii, January 17th-20th, 2006. Workshop title: The Role of Social Sciences in Ecosystems-base Fisheries Management in the Western Pacific.

Invited speaker at the Pew Institute for Ocean Science meeting, White Point, Nova Scotia, Canada, September 23rd-27th, 2005. Title: Integrating Social and Natural Science for Designing and Implementing a Marine Protected Area Network in the Western Solomon Islands.

Invited paper presented at the University of Georgia Athens, March 4th 2005. Title: “Incorporating socio-spatial data in GIS for designing Marine Protected Areas”

Invited speaker at the Bevan Series on Sustainable Fisheries: “Fishing Rights or Fishing Wrongs,” Seattle, WA, April 29-30th, 2004. Title: “Customary sea tenure in Oceania as a case of rights-based fishery management: does it work?”

Invited presentation at the MPA Social Science Workshop organized by NOAA National Marine Protected Areas Center Science Institute, Kona, Hawaii, March 30-April 1, 2004. Title: “Setting marine protected areas in the Western Solomon Islands.”

Invited member at the SIA workshop organized by NOAA NMFS, Baltimore, MD, March 10-March 12, 2004. Topic: Developing a Social Impact Assessment model for NOAA.

Invited paper presented at Stanford University, Palo Alto, CA, January 16, 2004. Title: “Integrating natural and social science systems in resource management planning and execution: a Western Solomon Islands case study.”

Paper presented at the 102nd American Anthropological Association, Chicago, November 19-23, 2003. Title: “Scientific evaluation in women’s participatory management: monitoring marine invertebrate refugia in the Solomon Islands.”

Invited paper presented at the University of North Carolina-Chapel Hill, March 24, 2003. Title: “Integrating indigenous ecological knowledge and customary sea tenure for conservation of bumphead parrotfish in the Roviana Lagoon.”

Invited paper presented at the 2003 Solomon Island Conservation Workshop, April 9-11, 2003. Title: “The Roviana and Vonavona Lagoons marine resource management project.” Honiara, Solomon Islands.

Paper presented at the Association for Social Anthropology of Oceania, Vancouver, Canada, February 12-16, 2003. Title: “Historical spatial patterns of settlement and their effect on customary sea tenure in the Roviana and Vonavona Lagoons, Solomon Islands (in absentia).”

Paper presented at the 101st American Anthropological Association, New Orleans, November 20-24, 2002. Title: “The role of customary sea tenure in designing and establishing marine protected areas in the South Pacific region.”

Paper presented at The International Union for the Scientific Study of Population (Southeast Asian Regional Population Conference), College of Population Studies, Chulalongkorn University, Bangkok, Thailand June 10-13, 2002. Title: “Spatial patterns of settlement and their effects on sea-tenure regimes in the Roviana Lagoon, Solomon Islands” (in absentia).

Paper presented at the 2002 Marine Science Winter Colloquium, UCSB. February 25, 2002. Title: “Marine protected areas in the Solomon Islands.”

Paper presented at the Association for Social Anthropology of Oceania, Auckland, New Zealand, 20-23, 2002. Title: "The effect of growth in population and consumption on land and sea tenure regimes in the Solomon Islands."

Paper presented at the 2002 Marine Science Winter Colloquium, UCSB. February 25, 2002. "Indigenous ecological knowledge and sea tenure in fisheries management: Tools for tropical, multi-species fisheries."

Paper presented at the 100th American Anthropological Association, Washington, D.C., November 27 to December 2, 2001. Title: "Assessing the impact of changing demographic and consumptive patterns on sea-tenure regimes in the Roviana Lagoon, Solomon Islands."

Paper presented at the 2001 ASAO Annual Meetings, Miami, FL, February 14-17, 2001. Title: "The ethnohistory and archaeology of chiefly exchange in the Roviana Lagoon, Solomon Islands" (Co-authored by Peter Sheppard, University of Auckland).

Paper presented at the 99th American Anthropological Association, San Francisco, CA, November 15-19, 2000. Title: "Anthropology, advocacy, and common property regimes: A Solomon Islands case study."

Invited paper presented at the Asian Population Network (APN) and MacArthur Foundation's Population, Consumption, and Environment (PCE) Workshop, Penang, Malaysia, April 10-14, 2000. Title: "Studying the impact of growth in population and consumptive patterns on common property sea tenure regimes in the Solomon Islands."

Invited paper presented at the American Association for the Advancement of Science, Meeting and Science Innovation Exposition, Washington, D.C., February 17-22, 2000, symposium on Coastal Areas of Africa and Asia. Title: "The Roviana and Vonavona Lagoons management marine resource project."

Paper presented at the Association for Social Anthropology in Oceania (ASAO), Vancouver, Canada, February 15-19, 2000. Title: "Gift, commodities, and inalienable possessions: Exchangeable and non-exchangeable objects in pre-colonial Roviana, New Georgia, Solomon Islands" (in absentia).

Paper presented at the 98th American Anthropological Association, Chicago, IL, Novembers 17-21, 1999. Title: "History matters: Discussing with regional authorities the flexibility of sea tenure regimes in New Georgia, Solomon Islands."

Paper presented at the Association for Social Anthropology in Oceania, Hilo, HI, February 2-6, 1999. Title: "New Georgia exchange systems and their pre- and post-European contact transformation."

Paper presented at the Association for Social Anthropology in Oceania, Hilo, HI, February 2-6, 1999. Title: "Roviana ethnoichthyology: Seascapes in transition."

Paper presented at the Society for American Archaeology, Anaheim, CA, April 20-24, 1994. Title: "Social complexity and the Tongan maritime expansion."

Paper presented at the 92nd meeting of the American Anthropological Association, Washington, D.C., November 17-20, 1993. Title: "Marine tenure systems in Melanesia: Are they suitable models for the development of inshore fisheries management policies?"
